SB-034

It's only the beginning now...
a pathway yet unknown
At times the sound of other steps...
Sometimes we walk alone.

The best beginnings of our lives
may sometimes end in sorrow
But even on our darkest days
The sun will shine tomorrow.

So we must do our very best
whatever life may bring
And look beyond the winter chill
To smell the breath of spring.

Into each life will always come
A time to start anew
A new beginning for each heart
As fresh as morning dew.

Although the cares of life are great
And hands are bowed so low
The storms of life will leave behind
The wonder of a rainbow.

The years will never take away
Our chance to start anew
It's only the beginning now
So dreams can still come true.

P.S. by the way, there won't be formal devotions tonight (because of the whole Valentines Day thing...) but if girls are still on the hall, we can have girl-time!

Memories help make us who we are,
and who we will be.
Whether you're still friends with those from the past,
or merely just in each other's thoughts,
Remember one another on the roads ahead.
Never forget where you came from.
